

# Deathtrip

Hatesphere

Fighting to be released  
From the strings attached to me  
Intriguing voice invades my head  
The dark side speaks to me

Deathtrip  
For death I am yearning  
Deathtrip  
My whole world is burning

I enter the gates to his mind  
Let the sickness inside  
The rush of power turns me on  
Raise the hatchet for the below

Deathtrip  
For death I am yearning  
Deathtrip  
My whole world is burning

This rush of blood  
Has turned against me  
Pleasure and pain goes hand in hand  
The hatchet's pointing my way  
Deathtrip
