

What we need isn't systems  
Or some regulating plans  
But bigger guns to shoot with  
And a bigger type of man  
Ill Will  
For good or ill my iron will  
Is unrivalled still Evil ill thrill  
This is the curse to me & my friends  
Ill will No patterns No sense

I hate mental exercise  
Thinking gives me pain  
I know people don't turn out  
That way today  
But here we go again:  
Ill Will Hatesphere!  
For good or ill my iron will  
Is unrivalled still Evil ill thrill  
This is the curse to me & my friends  
Ill will No patterns No sense

Rock'n'Roll!  
Yeah! Ill will!!!
