

# Anyone

Havana Brown

(3x)

Party people, everyone  
Dance until you see the sun  
Grab somebody  
Anyone

Here we are  
Nothing but space and music  
Now's the chance  
You'd be a fool to lose it  
Vibing heavy, DJ play our favorite records tonight oh oh

We sleepin in the day, all day  
Standing out all night, all night  
Prey on my body baby  
Bring your appetite
