

# GLIMPSE

Havana Brown

Drip drip see my flex, yeah  
Missed calls from my ex, yeah yeah  
He just slipped, watch your step, yeah yeah  
What cha drinkin'

Bottle after bottle take a sip  
Water on my AP, watch it drip  
Think I need a napkin for my wrist  
All my diamonds drippin'  
Please don't slip slip slip

They rocking tryna get a glimpse

I'm still drippin', wrists are glistening  
Let that money talk just shut and listen  
While we're Jay Z with the AP that's big pimpin'  
Master P with the black card that's no limit

We gon sip on somethin, yeah  
Pour it till there's nothin left  
Let em catch a glimpse finesse  
Let em catch a catch a catch a

Bottle after bottle, take a sip  
Water on my AP, watch it drip  
Think I need a napkin for my wrist  
All my diamonds drippin'  
Please don't slip slip slip

They're jockin' tryna get a glimpse

Rolling around in a Porsche  
Married to the money no divorce

I want that neck on time  
Look at my wrist you might go blind  
Okay your girl a dime  
I might just take her and she fine

Run that bread back yeah, do what we say
