

Yellin' From The Rooftop

Hayden Panettiere

Love struck me from out of nowhere
Like lightning from the sky
I wasn't even lookin' for the look in your eyes
Glory, hallelujah
I feel like I've been saved
Washing in the river of your real love waves

Yeah, it's something I've never felt
And I can't keep it to myself
You got me yellin' from the rooftop
So everybody knows
I'm falling for you, baby
Never letting you go
I'm screaming from the mountain
Gonna sing it everywhere
Yeah, you got me crazy
Baby, I don't care
Can you hear me, hear me, hear me
Yellin' from the rooftop
Tellin' the whole world mama's in
Baby, we're gonna be okay

Yeah, yeah, yeah

Baby, you can call me Lady Lucky
I know I've been blessed
Your kiss has got my heart beating out of my chest
It's easy like breathing
You make me come alive
But it's a whole lot more than just a feeling inside

It's love, no shadow of doubt
So true, I've gotta let it out
You got me yellin' from the rooftop
So everybody knows
I'm falling for you, baby
Never letting you go
I'm screaming from the mountain
Gonna sing it everywhere
Yeah, you got me crazy
Baby, I don't care
Can you hear me, hear me, hear me
Yellin' from the rooftop
Tellin' the whole world mama's in
Baby, we're gonna be okay

Oh, baby, you make me wanna testify
Every day and every night
You got me yellin' from the rooftop
So everybody knows
I'm falling for you, baby
Never, ever, never, never letting you go

Yellin' from the rooftop
Gonna paint it in the sky
I've never felt nothing like this in my life
I'm gonna scream it from the mountain

Gonna sing it everywhere
Yeah, you got me crazy
Baby, I don't care
Can you hear me, hear me, hear me
Yellin' from the rooftop
Tellin' the whole world mama's in
Baby, we're gonna be okay

Screamin' from the mountain
I'm fallin' for you, baby
Gonna tell the whole world
