

# Airplanes

Hayley Williams

Can we pretend that airplanes  
In the night sky  
Are like shooting stars  
I could really use a wish right now  
Wish right now, Wish right now  
Can we pretend that airplanes  
In the night sky  
Are like shooting stars  
I could really use a wish right now  
Wish right now, Wish right now

Yeah  
I could use a dream or a genie or a wish  
To go back to a place much simpler than this  
'Cause after all the partying  
The smashing and crashing  
And all the glitz and the glam and the fashion  
And all the pandemonium and all the madness  
There comes a time when you fade to the blackness  
When you're staring at that phone in your lap  
And hopin' but them people never call you back  
But that's just how the story unfolds  
You get another hand  
Soon after you fold  
And when your plans unravel in the sand  
What would you wish for if you had one chance?  
So airplanes airplanes  
Sorry I'm late  
I'm on my way  
So don't close that gate  
If I don't make that  
Then I switch my flight  
And I'll be right back at it  
By the end of the night

Can we pretend that airplanes  
In the night sky  
Are like shooting stars  
I could really use a wish right now  
Wish right now, Wish right now  
Can we pretend that airplanes  
In the night sky  
Are like shooting stars  
I could really use a wish right now  
Wish right now, Wish right now

Yeah  
Yeah  
Somebody take me back to the days  
Before this was a job  
Before I got paid  
Before it ever mattered what I had in my bank  
Yeah back when I was trying to get a tip at Subway  
Back when I was rapping for the hell of it  
But now days we rapping to stay relevant  
I'm guessing that if we can make some wishes out of airplanes  
Then maybe oh maybe I'll go back to the days

Before the politics that we call the rap game  
And back when ain't nobody listened to my mixtape  
And back before I tried to cover up my slang  
But this is for decater  
What's up Bobby Ray  
So can I get a wish to end the politics  
And get back to the music that started this shit  
So here I stand  
And then again i say  
I'm hoping we can make some wishes out of airplanes

Can we pretend that airplanes  
In the night sky  
Are like shooting stars  
I could really use a wish right now  
Wish right now, Wish right now  
Can we pretend that airplanes  
In the night sky  
Are like shooting stars  
I could really use a wish right now  
Wish right now, Wish right now
