

Fool The World

Hazen Street

I've been to many places
I've seen many faces
Soft and hard, battle scarred
I've seen prison bars
Not for long, but long enough to write this song
Right or wrong, I'm a product of a battle zone
Lower East Side where it's not pretty
I see many talk it, but can they really walk it?
On the west side they show no pity
See you walking around you're bound by only fantasies
Thinking you're hard, you know that's not reality
We all see, we know you're just a wannabe
So fool the world but you can't fool me
In my home, alone, and on these streets
I've seen beefs and walked with heat
What does it all mean to me?
Not a thing, if I don't live to write and sing
About the life, about the strife, about everything.
Lower East Side where it's not pretty
I see many talk it, but can they really walk it?
On the west side they show no pity
See you walking around you're bound by only fantasies
Thinking you're hard, you know that's not reality
We all see, we know you're just a wannabe
So fool the world but you can't fool me
I've seen you come and go, all you tough guy clones
When will you leave it alone?
I've seen you come and go, all you tough guy clones
You're all from front street
You better keep it moving kid,
You don't know what you're doing here
Lower East Side where it's not pretty
I see many talk it, but can they really walk it?
On the west side they show no pity
See you walking around you're bound by only fantasies
Thinking you're hard, you know that's not reality
We all see, we know you're just a wannabe
So fool the world but you can't fool me
Walking around, you're bound by only fantasies,
Thinking you're hard, you know that's not reality.
We all see, we know you're just a wannabe,
So fool the world, but you can't fool me,
Fool the world, but you can't fool (you can't fool) me
Fool the world, but you can't fool (you can't fool) me
Fool the world, but you can't fool (you can't fool) me
Fool the world, but you can't fool (you can't fool) me!
