Take Off My Mask

hazydecay

one shot is not enough to make me stop from touching you - you gotta pull the trigger for oh so many timez - i need you - i ne ed to live - our life is one big storm and i like it - i need you to feel the thornz of suffering for this all is necessary bridge: walk around me ironic smile - leave me all the way passing by chorus: one shot at me - i can't believe you did it again - take off yo ur mask what's this? me in the corner of a room i've seen sumwhere and you coming close indifferent face ready to kill the dayz - i ne ed you i need to live our life is one big storm and i like it - yo u got to make the holez in my soul oh wide open bridge: walk around me ironic smile - leave me all the way passing by chorus: one shot at me - i can't believe you did it again - take off yo ur mask WHAT'S THIS?!?
