

Questions

Hc3

Say more, stimulate my secrets thoughts
I'm impatient for your voice
I'm so wondering for more
Tell me and let me know

You have to think before it all
I'm so horny to know
You're with me and no one knows
It will, never stops

Refresh my body and my soul

Ref: Is it start of our love?
Angels help you, and let you understand
What is love for

Get more, don't spoil my heart before
before you tell me it all
I hope you'll understand my faults

Get more, you never know, it may be the crawl
We're both alone, we're not alone, we are in love

Respect my mind and let me know

Ref: Is it start of our love?
Angels help you, and let you understand
What is love for
