

# Dinner With A Gypsy

He Is Legend

Is there a place that we can go to teach the children not to grow?  
Where lovers don't remember where they met  
And heartbreak is easy to forget?

Is there no love to speak of?  
Is there no love to speak of?

I'm looking place, lookin' for a place  
I gotta find a new place to call home  
I'm looking place, lookin' for a place  
I gotta find a new place to call home

There has to be a closer country where love can live near me  
I've got to find it because right now, I'm not seeing clearly  
There is someone knocking on my door  
No one lives here anymore  
There is someone knocking on my door  
No one lives here anymore

Don't I know you?  
You've got to believe me  
We met yesterday  
Don't I know you?  
I don't believe this bar is closing  
Don't I know you?  
Don't I know you?

I've got to get out  
i've got to get out,  
I don't live here anymore

Is there no love to speak of?  
Is there no love to speak of?

I'm looking place, lookin' for a place  
I gotta find a new place to call home  
I'm looking place, lookin' for a place  
I gotta find a new place to call home

There is no love
