

Hold My Heart

He Is We

Don't let me, don't let me, don't let me fall down
Don't let me, don't let me, don't let me fall apart

Baby love, it's been awhile
Since you saw my crooked smile
And I have felt so alone
All the walls are caving in
My oxygen is wearing thin
And I've been searching for home

Don't let me, don't let me, don't let me fall down
Don't let me, don't let me, don't let me fall apart
Pull my chin up to the sky, let your lips meet my nose
Would you hold my heart, oh

You're my lighthouse, you're my muse
Everything I love, I lose
Just promise me, you'll stay
All my heart beats for you
It's broken but it'll have to do
Say you'll love me till I'm okay

Don't let me, don't let me, don't let me fall down
Don't let me, don't let me, don't let me fall apart
Pull my chin up to the sky, let your lips meet my nose
Would you hold my heart, oh

I'm just trying to catch my breath
I fight, I cry, I give what's left
In you... will you fill my lungs
You lit a fire and led me home
You've shown me that I'm not alone
You are... my desire song

Hold my heart, hold my heart
Hold my heart, will you hold my heart

Oh don't let me, don't let me, don't let me fall down
Don't let me, don't let me, don't let me fall apart
Pull my chin up to the sky, let your lips meet my nose
Would you hold my heart, oh

Don't let me, don't let me, don't let me fall down
Don't let me, don't let me, don't let me fall apart
Pull my chin up to the sky, let your lips meet my nose
Would you hold my heart, oh (Hold my heart)

Don't let me, don't let me, don't let me fall down
Don't let me, don't let me, don't let me fall apart
Pull my chin up to the sky, let your lips meet my nose
Would you hold my heart, oh

Don't let me, don't let me, don't let me fall down
Don't let me, don't let me, don't let me fall apart
Pull my chin up to the sky, let your lips meet my nose
Would you hold my heart, oh
