He Is We

Shawty's like a melody in my head
That I can't keep out
Got me singin' like
Na na na na everyday
It's like my iPod stuck on replay

Shawty's like a melody in my head
That I can't keep out
Got me singin' like
Na na na na everyday
It's like my iPod stuck on replay

I remember the first time we met
You was at the mall with your friends
I was scared to approach ya
But then you came closer
Hopin' you would give me a chance

Who would have ever knew
That we would ever be more than friends
We're real worldwide, breaking all the rules
He's like a song played again and again

That boy, like something off a poster
That boy, is a dime they say
That boy, is a gun to my holster
He's running through my mind all day

Shawty's like a melody in my head
That I can't keep out
Got me singin' like
Na na na na everyday
It's like my iPod stuck on replay

Shawty's like a melody in my head
That I can't keep out
Got me singin' like
Na na na na everyday
It's like my iPod stuck on replay

See you been all around the globe
Not once did you leave my mind
We talk on the phone, from night til the morn
Boy, you really change my life
Doing things I never do
I'm in the kitchen cooking things he likes

Real worldwide, breaking all the rules
Someday I wanna be your wife

That boy, like something off a poster
That boy, is a dime they say
That boy, is a gun to my holster
He's running through my mind all day

Shawty's like a melody in my head
That I can't keep out

Got me singin' like
Na na na na everyday
It's like my iPod stuck on replay

Shawty's like a melody in my head
That I can't keep out
Got me singin' like
Na na na na everyday
It's like my iPod stuck on replay

I can be your melody
Oh boy I could write you a symphony
The one that could fill your fantasies
So come baby boy and sing with me

I can be your melody
Oh boy I could write you a symphony, oh
The one that could fill your fantasies
So come baby boy and sing with me

Shawty's like a melody in my head
That I can't keep out
Got me singin'
Na na na na na na na
Na na na na na na

Na na na na na na na
Na na na na na na na

Shawty's like a melody in my head
That I can't keep out
Got me singin' like
Na na na na everyday
It's like my iPod stuck on replay

Shawty's like a melody in my head
That I can't keep out
Got me singin' like
Na na na na everyday
It's like my iPod stuck on replay

Na na na na na na na
Na na na na na na na [repeat until end]
