

Life Goes On

Heart in Hand

I'll swallow my pride and walk away,
There's nothing I can do, there's nothing you can say,
To make things right, life goes on!

My heart feels like, its smashed into, tiny fragments,
In my mind, I feel so alone,
Try make things right? Life goes on!

I'll pick myself back up, and carry on,
Forever looking forward,
NEVER LOOKING BACK!
I'll pick myself back up, and carry on,
Forever looking forward, never looking back,

I still have no regrets,

Everything, happens for a reason,
Lessons learnt and bridges burnt,
I found a reason, to carry on,
To carry on!

I wish you had, just told me the truth,
I know it's hard, but honestly,
How did you not think, this would hurt me,
Hurt me!

This isn't how things should be!

I'll swallow my pride and walk away,
There's nothing I can do, there's nothing you can say,

Who knows if our story will, have a happy ending?
Right now do we even care?
This isn't how things should be..
