

# Paint The World

Heather Nova

It's like a chain reaction  
Misunderstanding every word  
It's like a train to nowhere  
And everyone gets hurt  
And maybe if I paint the world black  
And maybe if I paint the world white  
Cause you don't seem to see it quite like I do

And we don't seem to see it eye to eye  
We never go the distance  
We just in the dirt  
And I could say I'm sorry  
But I want you to say it first  
And maybe if I paint the world black  
And maybe if I paint the world white

Cause you don't seem to see it quite like I do  
And we don't seem to see it eye to eye  
This is so stupid  
This is all so lame  
This is so stupid  
Playing these games  
Everything is unfocused  
Everything is stained

This is so stupid  
Playing these games  
Well I could learn to fake it  
And you could learn to bruise  
And maybe we can make it  
But then it's easier to lose  
And maybe if I paint the world black  
And maybe if I paint the world white

Cause you don't seem to see it quite like I do  
And we don't seem to see it eye to eye  
This is so stupid  
This is all so lame  
This is so stupid  
Playing these games

Everything is unfocused  
Everything's in pain  
This is so stupid  
Maybe if I paint the world black  
And maybe if I paint the world white  
Cause you don't seem to feel it quite like I do  
And we don't seem to see it eye to eye
