

The Big Guns

Heatwave

Big guns
Smoking through the night
Big guns
Doing it in style

Big guns
Shooting through the town
Big guns
Always getting down

Big guns
Smoking through the night
Big guns
Doing it in style
Take your aim and fire
Big Guns
Keep the street alive

Big guns
Shooting through the town
Big guns
Always getting down

Big guns
Smoking through the night
Big guns
Doing it in style
Take your aim and fire
Big guns
Keep the street alive

Gotta give it
Gotta take it
Gotta do it
Gotta make it
Give it all you got
Better shoot your shot
