

# Eating The Cannibals

Heaven & Hell

I'm sure you've never had this meal before  
We're still open, stay and have some more  
It's been raised upon your body and your soul  
Total control!  
Plenty of seating  
You know that you're eating the cannibals!

Taking till you've got no more to give  
Building boxes where you used to live  
The word out on the street is no delay  
Do it today!  
Come to the meeting  
It's true that we're eating the cannibals!

Eating the cannibals!

Don't close your eyes  
We'll come while you're sleeping  
You reach for the skies  
Now we are calling  
It's all falling down

Come on in, we love our clientele  
You're here to taste the vengeance, so you shall  
It's been raised upon your body and your bones  
But now you're not alone!

Enough with the greeting  
'Cause soon you'll be eating the canni  
Eating the cannibals!
