

Price We Pay

Heaven's Basement

I've been thinking of
The life that we are living now
I've been waiting for
The sign to go away
I've been holding back
The moment that I've leave this place

We up on our road and its taking a talk
But its too late to stop now.
aw

Again here comes the rain
And I say Thats the price that we pay
For us.
So take with the times
I've keep 'riding these rubs/rocks?
In the hope that I see you back home

And I say Thats the price that we pay
For us.

Hoping that you'll be
Around when I get home
Hoping that you'll see
the reason that im gone
Holding down this thing
In easy at the best of time
Time is just like strenght
Cuz When Its hear its just passing by
Taking its tall but with
Broke in controll
So just keep by my side

oh,

Again here comes the rain
I say Thats the price that we pay
For us.
So take with the times
I've keep 'riding these rubs/rocks(?)
In the hope that I see you back home
And I say thats the price that we pay
For us.

oh, oh, oh, uhm, oh, oh, oh

So forgive me when I leave once agian
Will you threw this somehow
In the end In the end In the end?

Again here comes the rain
Again here comes the rain
oh,
And I say thats the price that we pay
For us
So take with the times
I've keep riding these rubs/rocks(?)

In the hope that I see you back home
I say Thats the price that we pay
For us
For us
