

# Get Fresh Hev

Heavy D

Get fresh Hev (say what) and do the beatbox (say what)  
Get fresh Hev (uh) and do the beatbox (aight)  
Get fresh Hev, and do the beatbox  
Get fresh Hev, and do the beatbox (no doubt!)  
Get fresh Hev (check me out) and do the beatbox (check me out)  
Get fresh Hev (say what) and do the beatbox (no doubt!)  
Get fresh Hev, and do the beatbox!

Midnight, candlelight, hot wax drips on ya back  
Dom P, empty, Cristal it's on it's way I don't play  
I'm dead serious, aiyyo I mean this  
Straight up ugly face in exotic places  
My erotic taste is, outrageous, upstages, the bravest  
of lovers, but this one's overweight, Waterbed, now get it straight  
Sade' CD, killin me softly  
You know Victoria's Secrets but speak it cause you want me  
DK, PJ's, BKNY is where you stay  
Always lookin lovely when you walk around my way  
My boo be crispy, forever jiggy, forever with me  
Half Puerto Rican (ay papi) ay mami

Get fresh Hev, and do the beatbox (no doubt!)  
Get fresh Hev, and do the beatbox (no question)  
Get fresh Hev, and do the beatbox (no doubt!)  
Get fresh Hev, and do the beatbox (no question)

3 A.M. creeper, crawler, official baller  
Hit me on my beeper, this is word to my sneaker  
This shorty's dynamite, she's a shook one from Brooklyn  
But I represent the Vernon (THE VERNON?) yeah money-earnin  
Now 4th Street park after dark is DANGEROUS  
Might get clapped, if you look STRANGE TO US  
My main objective is to check, the sex  
The Rolex, the lucci, Versace Coogi Gucci  
Chicks dig me (no question) chicks love me (no doubt)  
They be all up in my house nigga, now what's that all about?  
Here's what I like - 138, that's 69 twice in one night  
Who's jiggy, Heav' Diggy, no question  
My sessions in sex, leave the honies perplexed  
And I don't mean no disrespect but keep it warm and get ya freak on

Well it's that big kid, with the gold front grin and, 600 Benz  
Low pros, chrome rims, Manhattan condominium  
Now I imagine scoopin dimepieces at beauty pageants  
Protect your fertile, sex convertible, Lex and a Rolex  
Content, on how to get jeans, I know thieves and criminals  
Buff thugs who show love, backrubs from dimes and dub  
Hotties with narcotic bodies, my style is urgent  
A rap merchant, a major player with flavor  
Well it's the H-E, you see me, A-V-Y, that be me  
The dress code a pain, some things never change huh  
I stay with bigness, sir jigness, who's in this  
I win this hand's down I get down, for this crown

[Chorus x2]
