

# Listen

Heavy D

Yo, Yo what listen  
Come in the jam and do what say Yo Listen  
People come around you need to listen  
Clear that shit out your ear and just listen  
What come on nigga yo come on listen  
What say what say what uh yo listen  
Come on everybody say what ay yo listen  
Put your hand up in the air ay yo listen

Now we ball out what yall with some pee wee click  
Its the biggest nigga you know eyeing your chick  
Must be in your blood cause you dying to trick  
And it must be brand new cause it don't even fit  
So leave all that vulgarious life to me  
Cause I'm the only cat out here that's right to be  
Laid out on beaches with sand on the back  
But my man soon did hand to hand handling tracks  
But all of us together on top of the world  
Bond when we click like a string full of pearls  
Got big dreams like big ammunition  
So people all around Ay Yo you should listen

Come in the jam and do what say Yo Listen  
People come around you need to listen  
Clear that shit out your ear and just listen  
What come on nigga yo come on listen  
What say what say what uh listen  
Come on everybody say what ay yo listen  
Put your hand up in the air ay yo listen  
Do this shit with flare ay yo listen

What you looking at ay yo you never seen a superstar before  
All up in my grill since I walked threw the door  
Yall bought tickets when I went out on tour  
Now you trying to front like you don't love me no more  
That's cool though see I wanna come threw your town  
At the next show watch the Heavy get down  
You duck what the F... don't say that  
Yall know what I mean Biggie don't play that  
Where your loyalty lie for this fly royalty guy do it die  
And I'm lying in the sky till you well run dry  
And your thirsty for fly  
Its D your going to be missing so take heed and listen

And, Yo, Do, Listen, Everybody all then around ay yo listen  
People in the ghettos and such ay yo listen  
Yo, yo my heart you touch ay yo listen  
Put your hands up in the sky ay yo listen  
Dance cause you know that you fly ay yo listen  
Heavy D burning the joint ay yo listen  
3rd joint yo get the point ay yo listen

Yo, yo, yo when I leave the whip what yall notice first  
The dime chick or the crusifix  
Lets make it bubble we goin' keep it subtle  
My name Dwyer my game tight believe it yall going to hear me tonight  
And then some I'm handsome with a diva habit

Competition I crush them then I brag about it  
Exquisite who is it Heavy D and these ladies got a thing for me  
And all these R&B chicks be wanting to sing to me  
Now fly girls is you with me (Hell Yeah)  
And all my dogs is ya with me (Hell Yeah)  
On the microphone Heavy Corlione shine like chrome  
I keep you movin till your ass was scrome

Yo check it out yo ay yo do listen  
Check it out yo listen say what ay yo listen  
Everybody hands in the sky ay yo listen  
Yo cause we do it we fly ay yo listen  
Push it around and move it yo listen  
Get up clean out your ears and just listen  
Yo come here and just listen yo listen  
Yo clean out your ear listen yo listen  
Heavy D bringing it yo ay yo listen  
Ay yo chh... uh uh uh ay yo listen  
Push your hands up in the sky ay yo listen  
Real fly tunnel and shit ay yo listen  
Burn it up in the ! ay yo listen  
Turn it up ay yo come on just listen  
Turn it up ay yo come on just listen  
Check it out yo listen ay yo yo listen  
Yo check it out in the place ay yo listen  
Yo turn it up ay yo ay yo listen yo [till fade]
