

# Now That We Found Love

Heavy D

Now that we found found love  
What are we gonna do with it. (2x)

One two, tell me what you got  
Let me slip my quarters inside your slot to hit the  
jackpot  
Rev me up Rev me up  
My little buttercup  
We can tug sheets snuggle up and get stuck  
Believe it or not  
Here comes the brother with glow  
A strugglin', Bubblin' overweight lover hurt prone  
So what's it gonna be  
Me or the TV  
Now let me take time to set your mind and your body  
free  
So why don't you just stretch  
Stretch for a sec.  
Shake me, Shake me  
Baby Baby bake me  
No need to fake here I am  
Come on and take me  
Wind your body  
Baby move your body  
I see you slip sliding  
Come on now do it hottie  
I'm not quite sure as to what is going down  
But I'm feeling Hunky Dory  
'bout this thing that I found

I dig the way you wiggle  
You don't jiggle  
Once you jiggle  
So hand over your love  
Cause it's heavier  
Than it'll  
Move like a Mover  
Sye wanted to groove  
So I grooved her  
Then she wanted to learn  
So we'd be schoolin'  
So I schooled her  
(Mary had a little lamb)  
But not like this  
We can waltz and turn  
Rumble tumble and twist  
Then you think you gonna give in  
Phantasies relivin'  
So lay down and relax  
Lover my lady  
Lady love of my baby girl  
Spread your wings  
So we can fly around the world  
When you drop me kisses  
You're so cute you drop the bomb on me  
Stretch it  
Stretch it

Flex it  
Flex it  
Gimme the permission  
Okey, Dokey  
I'll bless ya  
Blessin' like buddha  
Buddha as the bless  
You can lay down on the Lover  
Put your head on my chest

What can we do  
What are we gonna do  
Roses are red and Violets are blue  
Love is good and plenty  
If you get plenty good lovin'  
Do me right  
Do me right  
My lonesome dove  
Tell me one more time  
What is this thing called love  
I'm not quite sure  
As to what is going down  
But I'm feelin' Hunkey Dory  
'Bout this thing that I found
