I know you like what you're hearin cause you look  
amazed  
The reason for the matter that you're standin there  
gazin  
The record is for you and Heavy D is, amazing  
Truthfully speaking, I am treating  
you to a sound you've been needing  
Combined with the funk full power of beat  
Originated situated, by MC Heavy D, yah!

AIYYYY! On the dance floor  
AIYYYY! On the, dance floor now hit me!

Motivation is the thought that we put behind  
this musical scratch, combined with rhyme  
So that you can enjoy, and employ  
yo' feet to the beat of a man, not a boy  
Adjust yourself, get a musical grip  
Exciting lyric writing, I know it can hit  
It's too hard to resist, a beat like this  
Don't fight it, just like it, cause you can't miss  
From the tune I assume, that you will soon  
be filled with the skill, that's around the room  
Cause I am presenting, my rapping skill  
So you can dance to my beat, and dance you WILL!

AIYYYY! ... On the, dance floor now hit me!

An introduction is deserved to show you where we stand  
Heavy D & the Boyz, the dance floor band  
The crew with the juice, rock and we produce  
No stoppin when we're droppin when we start to get  
loose  
Outrageous and famous, cash obtainers  
Schooler of the beat and tough guy tamer  
Speech comin from the Overweight Dominator  
Rough and tough I'll sink a perpetrator  
With my crew by my side, G-Wiz and T-Roy  
In the booth is Eddie F, they unite THE BOYZ!  
I'm hurtin and I'm workin, non-believers dispersin  
The Overweight Lover, and I will cold hurt  
and if any folks negative toward me  
Not despisin but I'm risin over duck emcees  
Cause I will take 'em, make 'em, reshape 'em  
Bring 'em to the crib, study hard then make 'em  
better than they were or ev-er, could be  
Now they're a perfect product, by emcee Heavy D  
Cause I got the truth and a whole lot more  
Don't be sad that I was back on the, dance floor  
YAHHH!
