

## The Face Of Betrayal

Hecate Enthroned

As you hang upon the cross  
The lies are already there  
More of an unholy cult  
The face of betrayal  
No real truths, just more lies  
Millions sucked in  
How could a man of love let this happen?  
How could a man of love be this deceitful?  
How could a man of love not giveth?  
And how could a man of love taketh away?  
You are not my lord - pathetic illusion  
Preaching self-deceit, not a fiber of truth  
I see your face - I vision the true evil  
I see a waste of what life is  
Fuck you Jesus Christ  
You are no lord of mine
