

# Scream

Hedley

Baby be mine,  
Cause even God knows,  
Girl if you want it ,You got it, You'll never let it go.  
You're all that i want,  
You've heard it all before,  
Cause if you're taken, I'm waiting outside your door.  
There's no rest for,  
The reckless who run into love.

Will you scream ???  
When we're alone,  
Cause even the beautiful lose control.  
Will you scream ???  
When we're alone,  
Cause even a miracle happens too slow.  
I can't explain my bad behaviour,  
But baby you're my saviour.  
And I don't want to end up alone.  
Will you scream ???  
When you let go,  
Cause even the beautiful,  
The beautiful lose control.

Baby you're so,  
Right you're righteous,  
Anticipating heart aching before the first kiss.  
If you've had a good,  
You're gonna love this.  
From saint to sinner a winner that you don't wanna miss  
There's no rest for,  
The reckless who run into love.

Will you scream ???  
When we're alone,  
Cause even the beautiful lose control.  
Will you scream ???  
When we're alone,  
Cause even a miracle happens too slow.  
I can't explain my bad behaviour,  
But baby you're my saviour.  
And I don't want to end up alone.  
Will you scream ???  
When you let go,  
Cause even the beautiful,  
The beautiful lose control.

All the boys in the back you keep believing,  
No way means no how,  
All the girls in the front you keep screaming,  
Some way means some how,  
All the girls in the front you keep screaming.

Will you scream ???  
When we're alone,  
Cause even the beautiful lose control.  
Will you scream ???  
When we're alone,

Cause even a miracle happens too slow.  
I can't explain my bad behaviour,  
But baby you're my saviour.  
And I don't want to end up alone.  
Will you scream ???  
When you let go,  
Cause even the beautiful,  
The beautiful lose control.
