

Don't Let Me Go

Heffron Drive

I can't take this loneliness
Made mistakes and I regret them

I'm sorry for the things that I did
I'm sorry for the way I acted
You mean the world to me
I want the world to know
Don't let me go
Don't let me go
You mean the world to me
I want the world to know
Don't let me go
Don't let me go

I can't find no one else like you

I can't stand this hollow home
Vacant, see signs down the road

I'm sorry for the things that I said
I'm sorry for the way I left it
You mean the world to me
I want the world to know
Don't let me go
Don't let me go
You mean the world to me
I want the world to know
Don't let me go
Don't let me go

I can't find no one else like you

I can't find no one else like you, no one else like you
You mean the world to me
I want the world to know
Don't let me go
You mean the world to me
I want the world to know
Don't let me, don't let me go, don't let me go
I can't find no one else like you
