Rockstar Heaven

Heideroosjes

Kurt, Jim, Keith and Jimmy They were twenty seven I wanna play with them in Gods' Rockstar heaven

I blow myself away, I blow myself away Just blow my head away

If I'm famous and twenty seven Then I'll blow myself to heaven At the minute my life ends I get real Rockstar-friends

Let's play a real cool song Made by Jim and Kurt Let's print the whole band On a T-dye-shirt

Cool idols die young!
