

# The Temple Of Theil

Heimdall

Brave, noble Sidgar  
The Sky pronounced thy name  
The gods have told me to reveal to you all I know  
I shall show you the way  
A star will be thy guide  
Keep now the secrets of the land of Eternhill

Defy the winds  
Pass through the frozen  
Waters no mortal has passed through before

Ride in the Holy Mountain  
In the divine realms  
Where now the shadows reign  
Travel through forests  
Unknown to men  
With the gods you'll ride 'cross the plains of Eternhill

Glory's echoes invoke thy name - For thy beloved and thy lands  
ride

To THE TEMPLE OF THEIL - To the land of Eternhill To THE TEMPLE  
OF THEIL -  
To the dwelling of might  
To THE TEMPLE OF THIEL...

Up there through the shades of twilight  
Where you will see a bright red star  
Thy journey will begin  
To the land of Eternhill

Its name is Skyward, the eye of the gods  
Follow its blaze beyond the edge of the world
