

# Kamikaze Angel

Helalyn Flowers

I'm not alone, I'm not alone  
When you treat me like your  
Oxygen of gold

I would die To kiss, to kiss all of your scars  
You bring me your light  
Through your blackened dust

I will give you  
I will give you  
all my electricity

'Cause you're my kamikaze angel

I know I won't, I won't be afraid  
To leave my human form  
Through your mortal embrace

I will give you  
I will give you  
all my electricity

'Cause you're my kamikaze angel

Bring me with you  
I leave no crying  
Bring me with you  
On your wings of fire
