Just Walk Away

Helena Paparizou

I know I never loved this way before And no one else has loved me more With you I've laughed and cried I have lived and died What I wouldn't do just to be with you

I know I must forget you and go on I can't hold back my tears too long Though life won't be the same I've got to take the blame And find the strenght I need to let you go

Just walk away Just say goodbye Don't turn around now you may see me cry I mustn't fall apart Or show my broken heart Or the love I feel for you

So walk away And close the door And let my life be as it was before And I'll never never know Just how I let you go But there's nothing left to say Just walk away

There'll never be a moment I'll regret I've loved you since the day we met For all the love you gave And all the love we made I know I've got to find the strenght to say

Just walk away Just say goodbye Don't turn around now you may see me cry I mustn't fall apart Or show my broken heart Or the love I feel for you

So walk away And close the door And let my life be as it was before And I'll never never know Just how I let you go But there's nothing left to say Just walk away
