

The Game Of Love

Helena Paparizou

Swim the seven seas
I would climb the Himalayas
Sing in Japanese
I would dress up as your geisha
Capture all the stars
Paint your portrait
On the Great Sphinx
Walk to Africa
If I knew you 'd be there waiting

Na ni na ni, hey nu ney
Don't run away honey
Ni na ni, hy nu ney
Make no mistake cause

There 's no shame, shame, shame
In the game on love
Gonna get you good
Gonna knock on wood cause
I 'll fight for you
In the name of love
That 's the game of love

Dive among the sharks
I would wrestle alligators
Learn some martial arts
If you needed me to save ya
Dance on broken glass
Turn the rivers into fire
Anything to ask
Cause your wish is my desire

Na ni na ni, hey nu ney
Don't run away honey
Ni na ni, hy nu ney
Make no mistake cause

There 's no shame, shame, shame
In the game on love
Gonna get you good
Gonna knock on wood cause
I 'll fight for you
In the name of love
That 's the game of love

Like a hawk in the sky
I 've been watching you tight
I 've been watching you close
Never out of my sight
Like a thief in the dark
Sneaking into your heart
I 'll come take it away
Make you beg me to stay
