

## Helheim 4

### Helheim

"Harken, all ye loyal subjects of the king.  
For behold, the pestilence is upon us,  
And few will elude its deadly embrace.  
Fear your kin, as well as your family,  
For lo, even they can carry the black death  
Into your home."

[MUSIC: Hrymr]

[LYRICS: Hrymr/S.Røsjø]
