

## I Might Be Wrong

Helia

We said it was forever,  
Said we'd never part,  
I knew it was a lie,  
But I still gave you all my heart.  
These waves whisper to me,  
Calling me to the soft sand.  
The water sweeps over my feet,  
Surrounding where I stand.  
I just can't believe you're gone,  
Still waiting for morning to come  
How did God choose  
One to keep, one to lose?

You will be in my arms soon  
When you miss me look at the moon  
Cause when I miss you, I'll do the same  
And you won't feel any pain.!

There is nothing to do just wait day to day  
Until you return or we hear word that you're OK!  
I'm here writing this song,  
And sorry if it's been so long  
I'm always finding an excuse to run,  
But I might be wrong!  
I will be wrong!  
I might be wrong!  
I'm here writing this song,  
And sorry if it's been so long  
I'm always finding an excuse to run,  
But I might be wrong!  
I will be wrong!  
I might be wrong, oh, oh!

Father, I miss you so bad!
