```
If you're out there all alone
And you don't know where to go to
               E CBE
Come and take a trip with me to Fu-ture World
And if you're running through your life
And you don't know what the sense is
                   СВ Е
            E
Come and look how it could be, in Fu-ture World
                        G
We all live in happiness our life is full of joy
           D
We say the word "tomorrow" without fear
The feeling of togetherness is always at our side
We love our life and we know we will stay
               CDE
R: Cause we all live in Future World
      A B
  A world that's full of love
  Our future live will be glorious
  C D
  Come with me Future World
You say you'd like to stay,
But this is not your time
                 E C B
Go back, find your own way to Fu-ture World
Life can be for living
Just try and never give in
                 СВ
          E
Tell everyone the way of Fu-ture World
         D
                        G
We all live in happiness our life is full of joy
           D
We say the word "tomorrow" without fear
    D
                 G
The feeling of togetherness is always at our side
You'll say you love your life and you'll know why
```
