

Stay Crazy

Helloween

Could we ever stop the thing we dare to live and love?
I doubt it
Could we ever picture to be back at home
And stay wholehearted?

We don't need to talk about it
We will never fear or doubt it
On and on
We sing our songs
Until we are gone

We wanna stay crazy
As fresh as a daisy
We wanna stay easy
And don't stop believing
Life's a show
Oh, a word and a blow
We wanna stay crazy
And never get lazy
We wanna live our way
Each day as a heyday
Life's a show
Oh, we wanna stay crazy

Are we ever looking back with sorrow and regret?
I doubt it
If there ever was a better way to live a dream
We found it

We don't need to talk about it
We will never fear or doubt it
On and on
We sing our songs
Until we are gone

We wanna stay crazy
As fresh as a daisy
We wanna stay easy
And don't stop believing
Life's a show
Oh, a word and a blow
We wanna stay crazy
And never get lazy
We wanna live our way
Each day as a heyday
Life's a show
Oh, we wanna stay crazy

We wanna stay crazy
We wanna stay crazy

We wanna stay crazy
As fresh as a daisy
We wanna stay easy
And don't stop believing
Life's a show
Oh, a word and a blow

We wanna stay crazy
And never get lazy
We wanna live our way
Each day as a heyday
Life's a show
Oh, we wanna stay crazy

We wanna stay crazy
We wanna stay crazy
We wanna stay crazy
