

Steel Tormentor

Helloween

Headless
Pullin' the machine down
Comin' to the low sound
Feelin' like a real man, yeah

Racin'
Flashin' from down under
Flesh and blood and thunder
Tremblin' wheel in cold hand, yeah

Faster, much faster, ohh
What a human speed disaster!
Deeper, much deeper
On to the void I cast'er

I'm a steel tormentor
And I speed 'round every curve
I'm a mean imperator
Of my intimate machine

Turkey
Near to devastation
Losin' all my patience
Cannot make this kit fly, yeah

Danger
Muscular contraction
Out for satisfaction
Solid intoxication, yeah

Nightride, it's nightride now
Try to catch my tail lights
So sad, I'm so sad
But you won't ever suck my steel bride

I'm a steel tormentor
And I speed 'round every curve
I'm a mean imperator
Of my intimate machine

I'm a steel tormentor
And I speed 'round every curve
I'm a mean imperator
Of my intimate machine

I'm a steel tormentor
And I speed 'round every curve
I'm a mean imperator
Of my intimate machine

I'm a
Whao

I'm a steel tormentor
