Hellshock

How can I see through illusion
I believe your words manipulation
Can't trust those who benefit
Don't trust neighbors or anyone

Media a power scheme
Program us to receive
Shadows of life
Twisted into print

All those who suffer entertainment
Change faces and facts to fiction
Constant data submit
Can't trust neighbors divide and conquer

Media a power scheme
Program us to receive
Shadows of life
Twisted into print

Suffocate truth
Release lies
A wolf among sheep
Pull the wool over our eyes
