

Lust

Hemina

Marching out on the town tonight and standing tall
I picked you out from across the room in this white light, so b
right
Come back to mine tonight and we can work it out, lay it out
I catch a whiff of your scent and that porcelain skin
Oh, it reeled me in!

Please let down your silk robe softly
And take your rightful place in front of me
My love for you is just consensual lust

Marching out on the town tonight still standing tall
Your shape overwhelms me, I can't breathe, I can't sleep (I can
't sleep, I can't sleep)
I've been through women before but I have never ever felt this
at all
You're under fire from all of my lust (from all this lust)
Come back to mine tonight and we can work it out, again and aga
in!

Please let down your silk robe gently
And take your rightful place in front of me
My love for you is just consensual lust

Please let down your silk robe sexually
And take your rightful place in front of me
My love for you is just consensual lust

Lusting for you...
