

Call Me! Womann!

Hentai Corporation

Whaaaaauuuuu!

You found your way
out of my reality
You found your way
but my feelings still remain

Baby clean my blight
Put the grief behind
Let us walk again side by side

You found your way
I'm not there but you don't care
You found your way
I should try to make you stay

Baby clean my blight
Put the grief behind
Let us walk again side by side

Call me, i'm so lonely babe, yeah
Call me, i'm alone with my steel guitar
Call me, i'm so lonely babe, yeah
Call me, i'm alone, oooh, ooouh, aaahhhh, aaahhhh, jeaaaaa

Baby clean my blight
Put the grief behind
Let us walk again side by side

Call me, i'm so lonely babe, yeah
Call me, i'm alone with my steel guitar
Call me, i'm so lonely babe, yeah
Call me, i'm alone, oooh, ooouh, jeaaaaa
