

# Tardigrade Hunt

Hentai Corporation

Wake up! Scream! Minus  $\mu$ ! Molecules disappear!  
Hold on! Dear! Lead saline! Meth is so crystalline.  
Purple brain, gorgeous bane, synapses reappear!  
Follow me! Spread guanine, or rather mescaline.

Marching through the day and night, glorifying amazing highs.  
Give up the never ending round! Let's begin Tardigrade Hunt!

Ohh!! Innervate! Masturbate! Preganglionic sear!  
Innovate! Find your faith! Scary pregnant beasts.

Marching through the day and night, glorifying amazing highs.  
Give up the never ending round! Let's begin Tardigrade Hunt!  
Fire!!! Oh!!! Fire!!! Oh!!!

Shock behind the horizon of neurotic slate.  
Don't try to seek them, rather fade away.  
A spate of tragic sounds deconstructing the fatal way.  
Don't try to kill'em, rather stay away!

Oh, blame game, bifurcate!  
Bisect the borderline  
As you said, suffocate  
Amygdala's pain  
Lay down! Dream! The Scattered scene!  
Recirculate proteins!

Marching through the day and night, glorifying amazing highs.  
Give up the never ending round! Let's begin Tardigrade Hunt!  
Fire!!! Oh!!! Fire!!! Oh!!!
