

The River

Hentai Corporation

In the silence of the magic fields
Stretchy forces are pulsing in me
Tissue forests bridge my fears
I'm connected with the stable realm

I'm the river, the flow of human sinners, the postulate of Mothers

Pure energy rules the scene
A mirror flashes like silky cream,
Hearts are wet in fatty peace
Like in bizzarre eclectic dreams

I'm the river, the flow of human sinners, the postulate of Mothers

I'm the river, the clone of surreal fantasies of Mothers

I'm the river, the flow of human sinners, the postulate of Mothers

I'm the river, the clone of surreal fantasies of Mothers

I'm the river, the flow of human sinners, the postulate of Mothers

I'm the river, the clone of surreal fantasies of Mothers
