

# I Love The Bomb

## Her Bright Skies

Sirens wake the sleeping city.  
Chaos before the first bullet case hits the ground.  
"Stay near" a mother screams.  
"Stay near" a mother screams.

Her walls collapse.  
Her veins contract.  
"Stay near" she screams,  
when the bomb breaks the glass.

The wars you fight are nothing but lies.  
A patriotic dream meant to keep you alive.

"Repeat the message". (4x)

Turn off the lights.  
They're right outside.  
"Stay away" they plead,  
when the bomb breaks the glass.

The wars you fight are nothing but lies.  
A patriotic dream meant to keep you alive.

The wars you fight are nothing but lies.  
"Repeat the message". (4x)

Now on death you stand.  
Shed a tear and abandon ship  
like the traitor that you are.  
(4x)

That you are  
That you are  
The traitor that you are  
You are
