

Portugal

Hermes House Band

Raise your hands for football and party!
Make it real Let's give the world a sign
Make it real We need a change of mind
Make it real For you and everyone
This is just over the limit

Make it real We gotta leave today
Make it real This is the only way
Make it real We've got a game to play
This is just over the limit

We're gonna go to Portugal
We're gonna go and get it all
People come together
Come on and kick it, kick it
Let's have a ball

KICK IT! KICK IT!

Make it real We do it loud and proud
Make it real That's what is all about
Make it real A rising wall of sound
This is just over the limit

Make it real We go around the world
Make it real For everybody a girl
Make it real We got to spread the word
This is just our way of living

We're gonna go to Portugal
We're gonna go and get it all
People come together
Come on and kick it, kick it
Let's have a ball

KICK IT!

Allright yeah, let me hear you
Are you ready to make some noise

Come on, Blow your horns
We're gonna go to Portugal
We're gonna go and get it all
People come together
Come on and kick it, kick it
Let's have a ball

LALALA LALA LALALA
LALALA LALA LALALA
WOOOOOOOOOOOOOOO!
LA LA LA LA
