

# Dark Void of Evil

Hexx

Ooo....Yeah  
Sinners fear the preacher  
But the preachers gotta know  
Miracles out of scripture  
Are part of the show  
Broken and divided  
It's always the same  
The faithful need a prophet  
And the prophet needs someone to blame

Like the spirit, of a graveyard ghost  
Whose dreams are all shadows and dust  
Whose soul, still stirs in the breeze  
All alone, in a Dark Void of Evil

## SOLO/BRIDGE SECTION

Turn a blind eye, when you understand  
Angers more useful, than despair  
Hell-fires burning, torch is ablaze  
All alone, in a Dark Void of Evil
