

[Verse 1]

I don't know what happened, I'm feeling strange  
I'm not used to things going my way  
I'm filling up with passion instead of pain  
Something's changed, something's changed

[Pre-Chorus]

When I'm lying in my bed, I feel content  
And it's messing with my head, it's messing with my head

[Chorus]

Could it be that I'm happy now, happy now?  
Could it be that I'm happy now?

(Happy now)

[Verse 2]

I don't know what happened since yesterday  
But suddenly I'm not afraid  
Filled with satisfaction instead of shame  
Something's changed, something's changed

[Pre-Chorus]

When I'm lying in my bed, I feel content  
And it's messing with my head, it's messing with my head

[Chorus]

Could it be that I'm happy now, happy now?

Could it be that I'm happy now?

(Happy now, happy now, happy now)

[Bridge]

Light headed and my vision's blurry  
I feel good and I'm starting to worry  
(Starting to worry, mmm)

Light headed and my vision's blurry  
I feel good and I'm starting to worry  
(Starting to worry, mmm)

[Spoken Interlude]

He was telling me, you see, in his own little way  
That he was happy  
Truly happy

[Chorus]

Could it be that I'm happy now, happy now?

Could it be that I'm happy now?

(Happy now, happy now, happy now)

Could it be that I'm happy now, so happy now?

Could it be (could it be, could it be) that I'm happy now?

(Happy now, happy now, happy now)
