

Make a New Dance Up

Hey Ocean!

You remind me of a boy who once left me destroyed
When he cut me like a saw, with his back and forth and
I remind you of someone you loved when you were young
She tossed you like a stone into the ocean

We thought we'd never dance again
So scared of second chances
But now, there's something happenin'

You make me wanna dance
You make me wanna move
You make me wanna
You make me wanna make a new dance up (2x)
You make me wanna dance
Like no one ever has
You make me wanna
You make me wanna make a new dance up (2x)
You make me wanna dance
You make me wanna make a new dance up (4x)
Yeah

There's no need to play it cool cause all I want is you
Boy, you gotta let me know if you really want me

We thought we'd never dance again
So scared of second chances
But now, there's something happenin'

You make me wanna dance
You make me wanna move
You make me wanna
You make me wanna make a new dance up (2x)
You make me wanna dance
Like no one ever has
You make me wanna
You make me wanna make a new dance up (2x)
Yeah

And you know the moves
Cause it's our dance
And you know the moves

And you know the moves
Cause it's our dance
And you know the moves

You make me wanna dance
You make me wanna move
You make me wanna
You make me wanna make a new dance up (2x)
You make me wanna dance
Like no one ever has
You make me wanna
You make me wanna make a new dance up (2x)

You make me wanna dance
You make me wanna move

You make me wanna
You make me wanna make a new dance up (2x)
You make me wanna dance
Like no one ever has
You make me wanna
You make me wanna make a new dance up (2x)
You make me wanna dance
You make me wanna make a new dance up (8x)
You make me wanna dance
