

## Friends Like This

Hey Violet

How am I supposed to make friends like this?  
How am I supposed to make friends like this?  
When we only connect like this?  
How am I supposed to make  
How am I supposed to make

Spending all day on my phone  
Am I in prison or am I just home?

Might bleach my hair  
Might shave it off  
Might call my ex or even his mom  
Drive to the beach but stay in my car

How am I supposed to make friends like this?  
How am I supposed to make friends like this?  
When we only connect like this?  
How am I supposed to make  
How am I supposed to make

How am I supposed to have fun like this?  
At a party of one like this?  
How am I supposed to make friends like this?  
How am I supposed to make  
How am I supposed to make

So boring staring at these walls  
It feels like my whole life has been put on pause

Might start a cult  
That could be sick  
Is golf kinda cool  
Or did I lose my grip?  
Might take a trip  
But just to my fridge, ugh
