

Hold On

Hey Violet

We're in a river, bleeding doubt
And it's up to our heads!
Trying to swim our way out of it
But our friends are all dead...

We
Gotta hold, hold on to each other, each other [x4]
Yeah oh! Yeah oh!

Can't look back
'Cause the past is a terrible mess!
We won't die,
We'll survive the apocalypse!

We
Gotta hold, hold on to each other, each other [x4]
Yeah oh ! Yeah oh!

No, no, no, no!
'Cause when the sun comes out, we're waiting for the sky to break!

No, no, no, no!
'Cause when the sun is gone, we're waiting for the world to wake...
Up!

We
Gotta hold, hold on to each other, each other [x4]
Yeah oh!

We gotta hold [x2]
Hold on [x4] to each other...
