Hey Violet

You'd probably think I was psychotic (If you knew)
What I still got in my closet (Sad but true)
I slip it on over my shoulders
It's something I'll never get over
It makes me feel a little bit closer to you

I can't keep your love
I can't keep your kiss
Gave you everything and all I got was this

I'm still rocking your hoodie
And chewing on the strings
It makes me think about you
So I wear it when I sleep
I kept the broken zipper
And cigarette burns
Still rocking your hoodie
Baby, even though it hurts
Still rocking your...

I used to put my hand in your pockets (holding on)
The smell of your cologne is still on it (but you're still gone)
I slip it on over my shoulders
You're someone I'll never get over
It makes me feel a little bit closer to you

I can't keep your love
I can't keep your kiss
Gave you everything and all I got was this

I'm still rocking your hoodie
And chewing on the strings
It makes me think about you
So I wear it when I sleep
I kept the broken zipper
And cigarette burns
Still rocking your hoodie
Baby, even though it hurts

Still rocking your hoodie
And chewing on the strings
It makes me think about you
So I wear it when I sleep
I kept the broken zipper
And cigarette burns
Still rocking your hoodie
Baby, even though it hurts
Still rocking your...

If you want it back
If you want it back
I'm here waiting
Come and take it back
Come and take it back

If you want it back
If you want it back

I'm here waiting
Come and take it back
Come and take it back

I'm still rocking your hoodie
And chewing on the strings
It makes me think about you
So I wear it when I sleep
I kept the broken zipper
And cigarette burns
Still rocking your hoodie
Baby, even though it hurts

I'm still rocking your hoodie
And chewing on the strings
It makes me think about you
So I wear it when I sleep
I kept the broken zipper
And cigarette burns
Still rocking your hoodie
Baby, even though it hurts

Still rocking your hoodie
And chewing on the strings
It makes me think about you
So I wear it when I sleep

Still rocking your hoodie
Baby, even though it hurts
Still rocking your (hoodie)
