

Unholy

Hey Violet

Been having thoughts all the time, you and I, and they won't go away
But I kinda like what it's like in my mind I don't wanna be saved
Every night I'm undressing with him and I'm thinking of you
Yeah I know it's the wrong thing to do but I kinda want to

Say your name while our tongues are tied
Getting shivers all down my spine
We're in bed, we're embedded in my mind

Don't say it's unholy
If I let you come hold me
I know it's wrong that I want to be here in your arms
But tonight I'm so lonely
Don't say it's unholy
If I let you come hold me
I know it's wrong that I want to be here in your arms
Oh, come on and show me
Don't say it's unholy
Unholy
Unholy
Come on and show me

If he knew what I thought about you it would break his heart
And I wish that I could but I can't make the fantasy stop
Everybody's downstairs I can hear them talking through the floor
So convenient for you to pull me into a room and lock the door

Say you want me and don't be nice
Send those shivers running down my spine
We're in bed, we're embedded in my mind

Don't say it's unholy
If I let you come hold me
I know it's wrong that I want to be here in your arms
But tonight I'm so lonely
Don't say it's unholy
If I let you come hold me
I know it's wrong that I want to be here in your arms
Oh, come on and show me
Don't say it's unholy
Unholy
Unholy
Come on and show me

Oh, now we're face to face and
Oh, and my heart is racing
Oh, I can taste temptation
I know that you like it, you don't even have to hide it

Oh, now we're face to face and
Oh, and my heart is racing
Oh, I can taste temptation
I know that you like it

Don't say it's unholy
If I let you come hold me
I know it's wrong that I want to be here in your arms

But tonight I'm so lonely
Don't say it's unholy
If I let you come hold me
I know it's wrong that I want to be here in your arms
Oh, come on and show me
Don't say it's unholy
Unholy
Unholy
Come on and show me
Don't say it's unholy
Unholy
Unholy
Come on and show me
