

# You Don't Love Me Like You Should

Hey Violet

We were wings on fire, burning circles in the sky  
You and I  
Lately, I'm defeated  
Wanting you to read my mind  
But you don't try

Are we dead or half asleep?  
Love me right, oh baby, it's time to leave

You better wake up soon and realize  
Cause I feel misunderstood  
You don't love me like you should  
You don't love me like you should  
I got a heart that wants to vandalize  
And run away from you for good  
You don't love me like you should  
You don't love me like you, love me like you should

Woah oh, woah oh oh oh  
Woah oh, woah oh oh  
Woah oh, woah oh oh oh  
Woah oh, woah oh oh

We had break and make ups  
Up and down, on and off  
Switching me like a light  
That ain't right  
Drove me straight to madness  
Dropped at the corner of pain and agony  
Just to bleed

And I don't care what makes you tick  
All this back and forth it makes me sick (Woo!)

You better wake up soon and realize  
Cause I feel misunderstood  
You don't love me like you should  
You don't love me like you should  
I got a heart that wants to vandalize  
And run away from you for good  
You don't love me like you should  
You don't love me like you, love me like you should

Woah oh, woah oh oh oh  
Woah oh, woah oh oh  
Woah oh, woah oh oh oh  
Woah oh, woah oh oh

And I don't care what makes you tick  
All this back and forth it makes me sick  
(One, two, one two three four!)

You better wake up soon and realize  
Cause I feel misunderstood  
You don't love me like you should  
You don't love me like you should  
I got a heart that wants to vandalize

And run away from you for good  
You don't love me like you should  
You don't love me like you, love me like you should

Woah oh, woah oh oh oh  
Woah oh, woah oh oh  
Woah oh, woah oh oh oh  
Woah oh, woah oh oh

You don't love me like you should  
You don't love me like you should  
You don't love me like you should  
You don't love me, don't love me, don't love me like you should
