## **Delusions**

It's stuffy here But my window is closed I'm drinking wine And I'm scared to the bones Woman in white dress Stands outside I know so good her name Things went dark Right before my eyes I hear She's coming

Hello my dear My name is dead Don't be afraid Would you mind if I smoke You've got five minutes To pack your clothes Then we are leaving You have a right To make one phone But then we are leaving Hello! Can You help me!
